

E-services

www.flen.se

Do you have children at a preschool or after-school centre?

We are now introducing e-services!

Register your child's normal routine and who picks them up on what days.

Report any temporary change, e.g. if your child is to go home earlier or with a buddy, or if your child is to be picked up by someone other than you.

Notify time-off and absence.

Do as follows:

- 1 Visit our *e-service for preschool and after-school care* here: www.flen.se/sjalvservice
- 2 Click on *Guardian* and log in with BankID.
- 3 Check your contact information (email and phone number).
